

TO MOM WITH LOVE

Jan L. Ricord

May you have the joy of your children
Always around you.

May you have a fire
To warm your body.

May you have good food
To satisfy your hunger.

May you have a comfortable chair
To sit in for contentment.

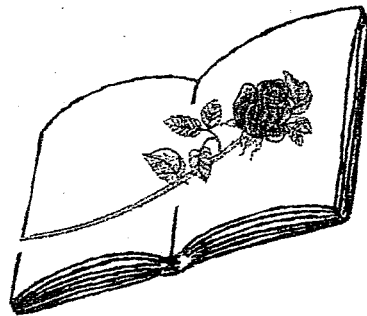

May your head rest easy
Upon your pillow.

May all your pain
Vanish forever.

May any sorrows or regrets
Turn into smiles of happiness.

May you be surrounded by love Your whole
life through

And may I always
Be there with you.

REMEMBER ME

Jan L. Ricard

Remember me
by a silent prayer
said by mourners,
family and friends.
Recalled by so many
by the printed word
my life not forgotten.
Ones that quote my words
in remembrance of me
I will live forever.
Remember, remember me.
